Designated Airport Operations Area (AOA) Driver and Vehicle Permits

Jan 8, 2020 (Updated Jun 10, 2020)

AUTHORITY

In accordance with Springfield-Robertson County Joint Airport Board's *Rules and Regulations*, Chapter I, Section 9, this document provides the means for persons (drivers) and vehicles without current expressed permission to enter and operate in the Airport's designated AOA to obtain the required permit(s) so they can. The following items provide additional definition and clarification.

DEFINITIONS

Driver: A permit is required to access, drive upon, and/or park a vehicle on the Airport's designated AOA. Target applicants are commercial tenants and their affiliates. A tenant is a person with an approved lease, license, or aeronautical business permit at SRC Airport. An affiliate is an individual directly under the control of a lessee, or a licensed aeronautical business permittee.

Vehicle: A permit is required for each motorized vehicle and/or equipment a permitted driver operates and/or parks on the Airport's designated AOA.
